

Allart Select & Precision Trim Collars

Our discrete Trim Collars are only 32mm in diameter and provide an alternative to conventional Rosettes for a simple/minimalist look. Designed to work in conjunction with Allart Select and Precision Door Levers & Knobs.

7851G03 shown with G03 Lever

Fixings

No fixings required, the Trim Collar simply taps into a 1" diameter hole.

How to Order

Split Finish Sets - order as singles

- 1) select TRIM COLLAR (e.g. **7851F**)
- 2) add FINISH (e.g. 7851F/**PB**)

For HALF SET (single rosette) add /H (e.g. 7851F/**PB/H**).

FIX DEAD and FIXED DEAD SET can be achieved using the 7802 Fix-Dead Dummy Insert. NB. Half set fixed dead also requires a 7818 Single Side Spindle. Both ordered separately.
